PCB Build and Test

ECE 405 - Homework #6 (10%)

Update OneNote - Group Assignment

PCB Build

Once you receive your PCB, populate your PCB

- Include a photo of your finished PCB in your OneNote document

PCB Test

Verify the functionality of your PCB

- Test your hardware
- Test your software

Update your OneNote document with each of these.

Note: Once you complete this task, your group grade in ECE 405 is a B
