- Group Designator listed
- Project Name Listed
- Use the NDSU Format design
- Project Description/Requirements
- Applications
- Component List or (BOM)
- Circuit lab Schematic
- Top PCB Design (copy image from OshPark)
- Bottom PCB Design (Copy image from OshPark)
- Formula(s)

How to order posters

- Once Posters are completed the files need to be sent to Jeffrey.erickson@ndsu.edu for authorization to print.
- Once authorized, Poster files will be sent to eileen.campbell@ndsu.edu in the office who will coordinate the printing

2-Minute Video

Record a 2-minute video summarizing your senior design project.

Include

- Intruduction: Your names and the name of your project
- Requirements: Describe what your device is supposed to do
- Demo: Demonstrate your functioning project

Note: A YouTube link works well for this.

Also, please note if you and your sponsor give ECE permission to display your video

- On a TV monitor in the ECE building, and/or
- On a web site (similar to Bison Academy)

There is no penalty if you do not want your video to be shared. If you do share your video and change your mind, you can always make your YouTube video private at a later date.
